DUŠAN TURAJLIĆ

Desktop Publisher Ovation Belgrade

At his first job interview, a future colleague told him that he needed operatives in his sector who would finish their jobs quickly and accurately. He does not creatives who would fantasize, because they had a full floor of them.

Today, he is a creative operative. Always ready to learn and move forward. He is distinguished for his meticulous and high-quality work in graphic programs, but he also develops his talents through video editing, web design and programming, as well as web and video animations. He does not need a dog, has two children at home, ages 8 and 11.
